**Re: Public Records Requests – Raymond J. Fisher Middle
School**

Dear Ms. Haskins:

This is in further response to your July 10, 2019, request, pursuant to the California Public
Records Act, Government Code section 6250 et seq., for a copy of documents relating to
Raymond J. Fisher Middle School's use of the website gaggle.net

The District provided you an initial response on July 10, 2019 and indicated it would need
additional time to determine whether it had disclosable and responsive documents to your
request. The District has completed its search and review and determined that it is in
possession of disclosable documents responsive to your request. Specifically, enclosed are non-
privileged documents relating to the District's purchase of Gaggle services for Raymond J. Fisher
Middle School in response to your request.

The District has concluded it has no further disclosable records responsive to your request. Any
additional records responsive to your request are exempt from disclosure under the CPRA for
reasons including, but not limited to, that they are protected by the attorney-client privilege, the
attorney work product doctrine, the official information privilege, the deliberative process
privilege, and other laws or legal standards that govern their confidentiality, pursuant to
Government Code sections 6255 and 6254(a) & (k). Additionally, documents in personnel files,
student records, or similar files, the disclosure of which would constitute an unwarranted
invasion of personal privacy will not be produced pursuant to Government Code section 6254(c).

Please continue to direct all communications on this matter addressed to the District to my
attention.

Sincerely,

Marla Rodriguez

Assistant Superintendent-Educational Services/H.R.
